All matches to be played as a single 26-point Association match.

Games to last 3 hours or less by agreement.

*If both of the teams agree, then the games may be played as Alternate strokes doubles, with standard bisques.*

The number of bisques allowed to the high handicapper is shown and stays constant through the tournament.

Only the high handicapper may use the bisques.

The low handicapper's clip may not be more than 4 hoops ahead of the high handicapper's clip, unless peeled by an opponent.

The low handicapper may not peel the high handicapper more than 4 times.

Bisques are calculated from  $(\text{high handicap} + \text{low handicap} - 11.5)/2$
