THE LAWNS

Despite the appalling weather in October and most of November and December, Nigel and Sue have managed to bring the lawns back into use in excellent condition and also our thanks to Phil who volunteered 2 days of leaf clearing.

Two of the six small lawns will be available for use at any time from 11 am onwards each day, as shown on the booking sheets.

Please do not play if they are frosted or water-logged, and clear leaves and dew away before starting.

We have two Short Croquet teams entered for the Nailsea Spring SC Teams Tournament.

The Taunton Terriers are in Division 3 and the Taunton Tiggers are in Division 4.

Both will be competing on Saturday April 13th.
