The ranking in the block is done by :

Block points (3 for a win, 1 for a loss, 0 for not played).

If two or more players are equal on Block points then they are ranked by who-beat-whom.

If they are still equal then they are ranked by their Hoop difference.

If they are still equal then they are ranked by number of wins.

If they are still equal then the same sequence is applied, but only including the results for the players concerned and not the whole block.
